DEVELOP YOURSELF; DEVELOP YOUR FUTURE

ACTIVITY DAYS

EDUCATION IS FUN IN THE OUTDOORS

We can deliver great activity days for your School, College or youth group. For schools and Colleges we can deliver to a whole year group, a class or come as part of an activity week; we can even link to your curriculum. You may be a small church group, youth group or charity group that would like to do something different.

We can combine a series of activities both water and land based into a fun, educational day programme that will bring out the best of your young people. See them flourish in a different environment, connect with nature and complete some amazing activities.

We can organise a themed day, a challenge day or just choose up to 4 activities from the activity list.

Times can be flexible, as long as we can fit all activities on the same day. Each activity session normally lasts for 1 1/2 hours and our group numbers are in multiples of 12.

Cost (based on a minimum of 10 in a group)

2 Activities	£16.50 per person
3 Activities	£25.00 per person
